

We need K-Love radio. This country is falling away from the true Christian morals that our forefathers set in motion. Rappers have their station, country lovers have theirs, rock has theirs, Christians would live have theirs. In fact, Discriminating against the Christians is in direct voilation of our Constitutional Right: "The government shall make no laws discrimiante against color, creed, religion, etc. This country has been blessed since its begining, do not let this country fall due to immmoral decisions by its government.
